1-ton totes and bulk.

For professional & homeowner use.  
Safe for use on all turf, vegetables, flower gardens, and ornamentals.

#### Apply Only as Directed

##### Turf:

- Apply 10-15 lb per 1,000 sq. ft.
- Water in after application.
- Product may take several irrigation cycles to completely dissolve, use accordingly on non-aerified putting surfaces.

- Apply quarterly or as needed.

##### Gardens and New Turf Construction:

25 lbs per 1,000 sq. ft., till into soil prior to planting.

Crops: Per soil analysis or as recommended by an agronomist.

##### Trees & Shrubs :

- Apply 10-15 lb per 1,000 sq. ft.
- Water in after application.
- Apply 3 times per year or as needed.

Live Earth's 8-2-4 is an exceptional fertilizer blend that provides a combination of four forms of nitrogen, natural phosphate, calcium, potassium, and iron to produce both rapid green up and long-lasting color not found in traditional fertilizers.

8-2-4 is an all-purpose fertilizer suitable for turf, flowers, vegetables, shrubs and trees. It will give you a deep, rich color without a significant flush of growth. It contains the finest ingredients available, to maximize plant response. Additionally, the humic acid contained in 8-2-4 may also aid in the uptake of micronutrients.
